Spring is just around the corner

Holtz Boatworks continues to grow completing specialized repairs and full maintenance and service on boats up to 55 feet. We are completing repowers, fiberglass repairs, refinishing and varnish work as well as specialized upgrades such as Tech-Dek composite teak decking. Whether it is major renovation or minor repairs and service, Holtz Boatworks is a great choice.

We are committed to our customers boating needs, on a personal, very professional manner at fair prices. Our 40+ years of experience in Boating Service will make boating as trouble-free as possible, while keeping the enjoyment and fun in the preparations.

Reserve your spring service, **TODAY** at Holtz Boatworks, by completing the 2015 Contract. . . Also list your requests for Additional Work and e-mail, fax or mail a signed contract to us at the address or site listed above.

Stop by to see our high quality refinishing and on going projects.

Also available for rent is our 60x32' enclosed tent for the extended project. It has concrete floor, fully enclosed, and includes electric. The boats are placed inside with the travel lift.

All boats are blocked with lots of space around for easy service and maintenance

U are our customer and don't forget "We're away from Salt 'n Sea.

Come back to *quality*, and *personal service* at Holtz Boatworks
